## LIST OF UNDISTRIBUTED & UNCLAIMED CASH DIVIDEND

For the Period 2015-2016

Updated as on January 08, 2022 (after notice period)

### PLEASE NOTE:

1. Undistributed Dividend = Dividend Warrants that are currently in hand with the Company as they could not be distributed by Courier Service due to wrong address / change in shareholders' address, thereby returned to the Company.
2. Unclaimed Dividend = Dividend Warrants that are not in hand with the Company as they were distributed to the respective shareholders' addresses or collected from the Company's Share Department, but not yet deposited and claimed by the shareholder, so not yet debited from the Company's Bank account.
3. During/before/after the Notice period from 30-11-2021 to 30-12-2021 till 08-01-2022, many unpaid shareholders were contacted via phone/email/SMS as available with the Company and asked to collect their respective dividend warrants from the Company's share department. Some of those shareholders collected their dividend warrants with revalidated dates and deposited in their respective bank accounts, while some are yet to deposit despite collecting or yet to come to collect despite confirming that they would come. All those contacted shareholders are removed from this list in order to avoid double payment if their amounts are transferred to CMSF. Their records are being maintained separately for future reconciliation, if needed.
4. In the yearwise "List of Unclaimed Dividend" there are some Net Dividend amounts that are highlighted in grey color which may / may not be already paid. These particular amounts are in dispute as they are found to be debited multiple times from the Company's bank account; but against which dividend warrant, it could not be identified due to lack of description in the bank account statements. The total (Tk.41,009/-) of the debited amounts is subtracted from the Total Unclaimed amount in the "Summary of Unpaid Cash Dividend for more than 3 Years" to get the accurate amount that is unclaimed. Therefore, respective shareholders against these disputed amounts MUST bring their original Dividend Warrant as a proof that their dividend is still unclaimed.
